

ARTICLE 12 - HELPER-PUSHER SERVICE

Art. 11 Bkm
Art. 21 Cdr.
Modified

(a) Pusher or helper service may be established or reestablished on the following territories:

Newburg to Dillon
Newburg to Jury
Monett to Globe
West Fork to Chester
Talihina to LeFlore
Ft. Scott to Edwards
Crystal City to St. Louis
Iron Hill (Rolla Subdivision)
Kansas City to Lenexa

Existing
Understanding

(b) It will not be necessary to use a Conductor or Brakeman with a helper or pusher locomotive. However, the engine crew will not be permitted to handle any cars other than the train it is helping or pushing.

Art. 11 Bkm
Art. 21 Cdr.
Modified

(c) It is recognized that the exigencies of the business may require the establishment of pusher or helper service on additional territories to maintain the tonnage intact over grades, in which event the matter shall be settled by negotiations between the General Chairman and the Director of Labor Relations.
