Re: Fort Scott 5 and 2 Extra Board Opt-out

Dear Mr. Boldra:

This will memorialize our discussions in regard to Section 2 of the recently ratified Memorandum of Agreement establishing an "attrition" extra board at Fort Scott en lieu of the historical double-ended ID service to Tulsa.

It was agreed that after a trial period of 6 months, SMART-TD could opt-out of the 5/2 rest cycles provided for in Section 2, by the service of a 10 day written notice, with the understanding that after exercising this opt-out provision, reestablishment of any rest cycle arrangement in the future must be by mutual consent of the Parties.

If the above correctly recites our understanding, please sign below and return a copy for our records.

Sincerely,

R. S. Knutson
General Chairman
