**Re: Enid to Springfield Pool Regulation**

Dear Sir:

This concerns our recent discussions regarding the above captioned subject.

After much discussion, it was decided that the pool regulation provisions contained in the core Agreement would be modified as follows.

1. Pool regulation will be accomplished utilizing the Carrier's automated pool regulation programming.
2. The programming will be set so that the pool makes no less than 4000 and no more than 4600 miles per pay period.
3. The look-back period will be 15 days from the 15<sup>th</sup> of the month and the last day of the month.

If the above correctly recites our understanding, please sign below and return a copy for our records.

Sincerely,

R. S. Knutson  
General Chairman
