

ARTICLE 23 - CREW CONSIST

Mediation Agr.  
signed 6/14/68  
A-7505 & A-7505-1  
Modified (NEO)

(a) Except as otherwise provided in this Agreement, all road (except passenger) crews shall consist of not less than a Conductor and 2 Brakemen.

(b) Exceptions:

On the following territories the Carrier may operate the following number of crew assignments with a crew consisting of a Conductor and one Brakeman:

Salem Branch (Local)	1
Muskogee Branch	1
Arthur Subdivision	4
Burrton Subdivision	1
Bessemer Branch	1
Hoxie Branch	1
River Division (Branch)	1
Clinton Subdivision	2
Current River Branch	1
Miami Branch*	2

\*Miami Branch: Not more than 2 regularly assigned crews may be assigned with a train crew consisting of a Conductor and 1 Brakeman. These reduced-consist crews may only perform freight and work train service on the Miami Branch, any station switching and work train service at Miami and Baxter Springs (includes Baxter Junction). Such crews may use the main line between Miami and Baxter Springs as a gateway, performing no switching en route except to set out bad order cars from their trains.
