

ARTICLE 38 - SWITCH LIST

Art. 34 Bkm  
Art. 51 Cdr

Switch lists shall be furnished showing what tracks cars to be picked up are on and any other information to expedite movement of the train.

Award No. 40  
SBA No. 234  
Award No. 265  
SBA No. 574

Interpretations:

(a) The above rule is applicable only to pool crews and regular assigned local freight crews.

Award No. 40  
SBA No. 234

(b) The only information necessary to give a crew is the car numbers and initials and the track on which they stand.

Awards Nos.  
4 and 152  
PLB No. 37

(c) Information may be given to the train crew either in writing or verbally so long as it is given prior to the pickup.

Awards Nos.  
161 and 163  
PLB No. 37

(d) A car or cars moved from an industry to a yard track, or moved from one track to another within a point, will not be considered as picked up unless they are moved out of that station by the crew involved. That is, the above provision applies only to cars when picked up and moved forward in their train.
