

ARTICLE 57 - EMPLOYEE INFORMATION

(Article IV of the January 29, 1975
National Agreement)

Indicated

Commencing June 1975, the carriers will provide each General Chairman with a list of employees who are hired or terminated, their home addresses, and Social Security numbers if available, otherwise the employees' identification numbers. This information will be limited to the employees covered by the collective bargaining agreement of the respective General Chairmen. The data will be supplied within 30 days after the month in which the employee is hired or terminated. Where railroads cannot meet the 30-day requirement, the matter will be worked out with the General Chairman.
