OFF-TRACK TRAVEL INSURANCE  
(Agreement of August 7, 1967)

When employes are required to ride in or on any vehicle while operated on or over a public thoroughfare will be covered by Carrier-financed insurance as follows:

(a) \$100,000.00 Accidental Death or Dismemberment:

(b) \$3,000.00 Blanket Accident Medical Re-imbusement;

(c) 80 per cent of the insured employe's salary from this Carrier for time lost, subject to a maximum of \$100.00 per week for a 156-week period. So far as extra men are concerned, the 80% shall be determined on the basis of the earnings of the extra man who takes the injured man's next turn off the board.

This will also apply to employes deadheading under orders.
